2010 Summer Camp Themes

Celebration of Nations: June 28 – July 2

Prepare to take in the sights, smells and sounds of celebrations and cultures from around the world! Each day our travels will take us to a different continent where we will explore the unique foods, traditions and art. Our adventures will end right here in North America with the celebration of the United States of America's Independence Day. We will also exercise our bodies, minds and spirits through fun outdoor games.

TLC Summer Cup Soccer: July 6 – July 9

We're kicking off the summer and the 2010 World Cup with a week packed full of games, skill building activities, and soccer themed art and cooking projects. Children ages 3 and 4 will spend their fun filled days at TLC, while children ages 5-8 will have the opportunity to join us at the park for their soccer sessions.

Marine Life Mania: July 12 – July 16

This week the children will discover a whole new world when they 'Dive' into ocean exploration with fun activities focusing on creatures of the sea, creatures by the sea, seashells, boats and everything that floats.

The Most Curious Detectives: July 19 – July 23

This week the children will discover our wondrous world through science experiments, music, art, and cooking. We will explore everything from dinosaurs of our past to the space exploration of the future and all that is in between. Nothing is off limits! Between film canister rockets, sticky concoctions, taste testing and more the children are sure to have a great time.

In Our Backyard: July 26 – July 30

Through art, cooking and music we will explore the best the Northwest has to offer. During this week we will take the children "camping" and make mouth watering smores. The older children will take a nature walk where they will learn about our local birds and animals and try to spot as many as they can. During this time the younger children will experience the adventure in our own backyard.

Movin and Grovin: August 2 – August 6

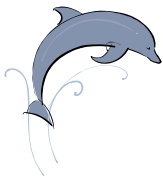

This week the children will get movin and grooving to the beat of the Beatles and other tunes from the 70's, make tie die t-shirts and more. The focus will be on physical activities and body movement, which the kids will explore through music, games, sports and art.

I can make a Difference: August 9 – August 13

Reduce, reuse, recycle, lend a hand and share your heart! This week the children will have a blast learning how they can give to others and contribute to the well being of their community and the environment in unique and exciting ways. The children will turn common household items into beautiful art, build friendships through cooperative games and reach out to others while splashing around in the sunshine at our fourth annual Summer Camp Car Wash for Charity.

Amazing Animal Expedition: August 16 – August 20

This week is all about animals! We'll learn about different animals through art projects, outdoor games, music and more. The children will follow their guides on a trek through the mountains, grasslands, jungles and swamps of the world stopping to experience the animals, people, and incredible plant life all around.

TLC Academy Summer Adventure Camp 2010 Registration Form

Child's Name: _____ Birth date: _____ Age: _____ Sex: _____

Please check each day that you would like to register your child for summer camp. **There is a two day minimum per week for any week you are registering.** If you need to add before or after camp care (Miei Amici) and would like to sign up for the weekly rates please indicate by circling AM and/or PM underneath the camp days you have selected. If you prefer to use the before and after care on a drop-in or hourly basis you may do so by contacting the office when the care is needed.

Please note: July 6th-9th is a sports camp week. Please dress your child appropriately. Children ages 5 and older may participate in activities at East Sammamish Park.

****Please complete back of form****

Fee schedule:

\$41/per day if registered by June 1st

\$43/per day if registered after June 1st

\$185.00 per week (must register for full week to receive weekly rate discount)

Please check each day that your child will attend the summer session. Once you receive confirmation of your child's placement, you are responsible for payment regardless of whether your child attends. Payment for July dates (camp fees and weekly Miei Amici) is due no later than June 1st. Payment for August dates is due no later than July 1st.

Weekly discounted rate applies only when registering for complete weeks at the time of registration. Weekly rate does not apply if registered for a partial week and days are added later to complete the week. If you register for a full week and received the discounted weekly rate and wish to cancel any days during that week you are responsible for 30 day written notice and will be charged the regular daily rate for the days that are remaining.

TLC requires a thirty day written notice for all cancellations. We will not refund payment without thirty days written notice. Payment is required for all days registered even if your child does not attend.

Payment applies to the days you registered for. You may not switch days for any reason. If you wish to add days throughout the summer you may do so with space permitting. The office must be notified of changes in writing. Payment for any additional days is due at the time they are added.

If you would like to use Miei Amici on an hourly basis statements for hourly Miei Amici charges will be sent home each Monday. Hourly Miei Amici charges are due no later than the Friday after they were incurred.

Please mark your calendar with the days you have registered for.

There are a limited number of spaces available. Students are placed in the order applications are received. An email will be sent to the email address provided confirming placement.
